

Knights & Bytes Chess Class

Thursday 17th December 2009

AM: 9.15am -12.15pm PM:12.30pm - 3.30pm

These Coaching Classes are **suitable for youngsters of all levels and ages (6+)** – from beginner to advanced. Everyone will learn some real skills, whether it's the simple Lawn-Mower strategy or the advanced King's Indian Defence - all wonderful exciting stuff that's combined with playing lots of games. Very gentle learning. Learn some diabolical traps!

We have deliberately introduced the half-day session for those boys and girls who might not feel able to cope with a full-day of coaching, but they are very welcome to stay for the full day if they wish.

Fees: The cost for either a Morning or Afternoon class is \$20 for the first child and \$10 for each additional child of the same family. The cost for a full day is \$30 and \$15 per additional child. Pizzas can be ordered for lunch - \$4.50 per person - the Pizzas will be ordered to arrive for 12.15pm - just in time to prevent mass starvation!
