To see pictures of these products and find out more about what we offer - books, databases, holiday classes, shop hours .. etc - please check our website.

If you wish to place an order with this sheet, simply indicate the qty (and, if a set, whether it has white or beige pieces) and fax to 08 8353 4008 - there will generally need to be 10% added for postage and handling - the mats and the sets are pretty heavy- but we will endeavor to make it as small an amount as possible.
